WHAT'S COMING NEXT

How It Works

- Funding Small Startups – TrailX USDT supports small businesses and rental service projects with growth capital.
- Revenue Generation – These businesses create stable profits from real services (rentals, operations, etc.).
- Community Distribution – Profits are shared with members, giving them sustainable income.
- Referral + Growth Model – Members earn by inviting others, creating a growing Community of investors and entrepreneurs.
- TrailX USDT invests \$100,000 in rental and startup projects in the USA.
- Businesses generate \$20,000 monthly profit.
- 80% of profits (\$16,000) is shared with community members as USDT or investment points.
- Members can re-invest their earnings into upcoming projects for bigger shares.

Trailx Investment Areas

Our investment areas span across crypto, digital assets, startups, and the metaverse – all designed to create sustainable growth. Through community-driven models, members share profits and rewards from diversified opportunities.”

Trailx Our Investment Model

Our strategy focuses on buying high-value digital assets within top-performing metaverse platforms and distributing the returns among our community members.

Virtual Land Acquisition

- Purchasing digital land parcels in leading metaverses (e.g., Decentraland, The Sandbox, Otherside).
- Developing or leasing land for virtual businesses, events, or advertising spaces.
- Appreciation of land value over time as demand increases

Funding Support

- Provide startups and small businesses with the initial capital they need.
- Flexible funding models: grants, profit-sharing, or equity co-investment.
